A small group of thoughtful people could change the world. Indeed, it's the only thing that ever has.

Margaret Mead

The Alliance assists and supports Illinois Community Foundations by:

- Educating the public on the role and purpose of community foundations.
- Providing a forum for sharing best practices in grantmaking, stewardship, and donor services.
- Encouraging adherence to National Standards prescribed by the Council on Foundations.
- Developing a link between Alliance members, legislative and government officials, and the citizens of Illinois to inspire charitable giving.

Who belongs to the Alliance of Illinois Community Foundations?

Publically supported community foundations that serve Illinois and have met, or have declared the intention to meet, National Standards prescribed by the Council of Foundations.
